

A collection of various breads and wheat stalks. In the center, a red banner with a gold border contains the text "ХЛЕБ — ВСЕМУ ГОЛОВА" in white, uppercase Cyrillic letters. The breads include a round loaf with a golden crust, a round loaf with a dark, cracked crust, a round loaf covered in sesame seeds, and a round loaf with a light, porous texture. Wheat stalks are scattered throughout the scene, adding a rustic feel. The background is a warm, golden-yellow gradient.
